

EVEREST 20

GROUND FLOOR 71.91m²
FIRST FLOOR 86.41m²
GARAGE 18.17m²
PORCH 4.31m²
ALFRESCO 9.35m²
TOTAL AREA 190.15m²

WIDTH 13.19m
DEPTH 18.35m

EVEREST 20

The Everest 20 still packs the amazing features and benefits on its bigger brothers, but is able to fit on 15m blocks. While still providing three living areas to the ground floor its alfresco adds space by opening up and allowing these areas to flow.

Upstairs contains the most popular Bedroom 1 configuration which feels larger than it is, mainly due to the large window providing added light and ventilation.
